Barnstable, MA 02630

Subject: **PFAS water sample data delivery (Battelle project number 100105456-0015)**

Dear Gongmin,

This deliverable includes field samples collected on 10/25/2018.

The following files are included with this deliverable:

File Name	Description
<b>18-0645 Summary Data Pacakge.pdf</b>	Summary PDF of results including custody records, data tables, the case narrative and other miscellaneous documentation.
<b>L18-0645_Master_369_FINAL.xlsx</b>	Excel version of the data tables

Please call me at (781) 681-5565 if you have any questions or you need additional information.

Sincerely,

Jonathan Thorn  
Laboratory Director

The reported data meet all requirements of the TNI standards and are directly related to the project samples unless documented in the attached case narrative.
